

# SPECIALTY CROPS SPECIALISTS

SPRINGHAUS 

## ABOUT US

We are a group of farmers, packers and traders with over 20 years of experience supplying grains, legumes and seeds for the food & feed industries.

We manufacture and export from Argentina, Bulgaria, Ukraine, Canada and the United States. By knowing the whole process, from planting and processing, to delivery at destination port, we can ensure a consistent level of quality.

All year round supplies of good quality products at reasonable prices are key points for our clients.
